

Swachh sagar surakshith sagar – Thotta Bengre area

Team CMLRE coordinated the cleaning activities and awareness program on 12th Aug 2022 in the Thotta Bengre area. In addition to the participation from College of Fisheries under the leadership of Dean Dr Shivakumar Magada and Dr Prathibha Rohit (SIC, CMFRI Mangalore) along with 80 students and 20 Scientists, local fishing community leaders and fishermen also participated in the event. The location was proximate to the Thotta Bengre ferry and fishing harbour.

The litters mostly contain plastic covers/wraps, net prices, glass bottles, plastic bottles and debris.

In addition to the cleaning, the team interacted with the local fishermen.
