Information Sought (जानकारी मांगी) :	<p>Dear Sir/Madam, I applied for the position of Project Manager (PM-1 Marine Biodiversity) (Category 1, advt. ref. MOES/CMLRE/2021) in August 2021, which is 99.9% relevant to my background, experience and expertise. I got the interview letter on 24 March 2022, in which I was asked to attend the interview on 5 April 2022 at 12.15 pm at CMLRE, Kochi. I arrived by 11 am on the interview day and found there were not many competitors for my position. Meanwhile, by 12.30 pm, they checked all my academic, experience and OBC certificates. After skipping my lunch and waiting for a long time, the interview happened at 04.30 pm. I am glad that the interview went well, where I answered all the questions of the four interview board members. I have not heard from CMLRE till today. However, I found from my friends who applied for several other positions that their interview was on 4/5 April 2022 and had joined CMLRE on 18 April 2022. I had big hope for this position, and to my shock, I confirmed on 28 April 2022 through one of my friends in CMLRE that the interview team selected someone for the post I appeared for the interview. Hence I request you to kindly send the scoring details for the position I applied for and the reasons for the rejection of my candidature. I am looking forward to hearing an early reply on this matter. Thanking You, Sincerely, Anita.</p>
